Coach Tackett, while on evening duty yesterday, standing in front of the Annex building, Deavan Hampton burst out of the door and pushed it hard enough to hit me. He saw me standing there. When I yell, hold up, don't hit me with that door any more by that time Ms Oatis asked him why did you hit Ms Bee with the door? You saw her standing there, he just look at Ms Oatis and kept walking. He never apologize or said any thing. He just kept walking and looking back at me. Please make sure that Deavan understand that I will not tolerate such behavior.

Thanks,
Yvonne Bee
